

Invitation to the World Bosai Forum 2025

Dear XXX XXX,

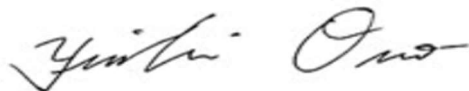

We are pleased to invite you to the World Bosai Forum2025 to be held on 7-9 March, 2025 in Sendai, Japan. This Forum is a multi-stakeholder's meeting on disaster risk reduction (Bosai in Japanese), participated by specialists and general public from various sectors, including, international organizations, government organizations, non-governmental organizations, private sector, academia, media, etc.

The World Bosai Forum aims at sharing practical solutions in disaster risk reduction from Japan and overseas and promoting the implementation of the Sendai Framework for Disaster Risk Reduction 2015-2030.

Your profound experience and knowledge is valuable for us and your participation in this forum. If you have any question, please do not hesitate to contact us (wbf2025@worldbosaiforum.com).

We look forward to welcoming you in Sendai in March.

Sincerely,
